

HEATHY WOOD  
COPTHORPE

## COVID - 19

During this difficult time, we're putting the health and wellbeing of our homebuyers, contractors and people first, and in doing so, we want to make sure that we can help as many people as possible remain safely in their homes.

### **To homebuyers**

As of 24 March all construction work on St. Modwen Homes development at Heathy Wood has been paused, and the site has been closed down safely and securely. For the time being, we have closed the Homebuyers Hub and the Showhomes at Heathy Wood.

We know this may impact some of you in the next few weeks and months. However, please be assured that our Sales Consultants are still be on hand to support you in your home buying journey by telephone, email and if you prefer – video call, they're here for you whatever may happen.
